

2018 ANNUAL REPORT

MANHEIM TOWNSHIP EDUCATIONAL FOUNDATION

Enable + Inspire + Support

OUR GOALS

Encourage educators
to provide innovative programs

Maintain a margin
of excellence to prepare students
for future success

Grow resources
for expansion of grant initiatives

Provide financial
resources for enhancing academic,
athletic, & artistic opportunities

Create sustainable
processes for resourcing grants

A WORD FROM OUR BOARD PRESIDENT, HANNAH BARTGES

Greetings from the Manheim Township Educational Foundation as we celebrate our 25th year. From our first \$1,000 grant in 1993 to assist a teacher in her classroom to a \$25,000 grant this year to provide STEAM Labs in all of our elementary schools, our mission remains the same – to enrich the educational experience of every child in our school district. The needs of the school district have changed greatly in the past 25 years, so has the cost to provide the resources to meet those needs. But our partnerships are growing. Exciting programs like STEAM Labs and the Mobile Learning Initiative, are happening in our classrooms, thanks to the creativity and dedication of our staff and the major support we receive from the Clark Associates Companies and the Dart Foundation.

Important too are the contributions from a wide range of community businesses and organizations. You will find a list of this year's grant awards and our community partners in this report. Many, many thanks to the donors who make our foundation \$1 million strong.

Happy birthday to MTEF! For 25 years we have been able to demonstrate to our students that our community cares about them and invests generously in their future. Our best birthday present will be your continued support!

The Manheim Township Educational Foundation is dedicated to making the educational experience of all Manheim Township School District students exceptional. We provides resources to educators, administrators and school-related groups for educational programs, preferably innovative, that benefit Manheim Township School District students. As we celebrate our 25th birthday, we are thrilled to award our millionth dollar to support innovative educational initiatives in the Manheim Township School District.
