MANHEIM TOWNSHIP EDUCATIONAL FOUNDATION

Enable + Inspire + Support

OUR GOALS

Encourage educators
to provide innovative programs

Maintain a margin
of excellence to prepare students
for future success

Grow resources
for expansion of grant initiatives

Provide financial
resources for enhancing academic,
athletic, & artistic opportunities

Create sustainable
processes for resourcing grants

A Word From Our Board President, Kate Zimmerman

Thanks to the incredible teachers and administrators who submit innovative grants, the Educational Foundation had the honor of funding 35 grant opportunities for a total of \$148,560 this past school year. These grants include everything from encouraging the early reading of kindergarteners in the Headsprout program, to giving high school juniors the confidence to pursue their education post-high school through the Attollo Program, and much more in between!

Our work would not be possible without the wide range of community partners who support the MTEF mission and vision. Thank you to EITC donors, partners such as the Clark Associates Charitable Foundation and APR Supply, event sponsors, and even the runners who crossed the finish line at our annual Red, White, and Blue Streak 5k and Fun Run.

As we enter the new year, MTEF is stronger than ever. We are looking to the future and planning not just how we continue to enrich the education of our kids, but how we grow and support even more innovation in the Manheim Township School District. We hope you will continue to join us on this incredible journey!
