

**Manheim Township Educational Foundation (MTEF)** provides resources to educators, administrators, students, and school-related groups for innovative educational programs in academics, athletics, and the arts, for all MTSD students.

The biggest way MTEF supports MTSD is through its robust grant program. Recent MTEF-funded projects have included the kick-off speaker for MTSD staff, artist in residence programs, math skill-building apps, entrepreneurship opportunities, Sprouting Learners, the Ripple Effects program, and hands-on STEM resources like LEGO SPIKE, indoor drones, and 3D printers and scanners. Our goal is to help educators provide the extra resources and experiences that they know will engage and inspire their students to explore, experiment, learn, and grow.

There are many ways you can partner with MTEF to support these and other programs:

- Share your great idea through the MTEF grant application process.
- Attend an MTEF community event like Movie Night or Mini Golf Madness.
- Consider a financial gift through MTSD's payroll deduction program, the annual ExtraGive on November 21, or anytime on our website [www.mtef.net](http://www.mtef.net).

MTEF is proud to partner with MTSD staff to help make their ideas for innovation and inspiration possible. We wish you a fantastic 2025-26 school year and look forward to working together to enrich the educational experiences of all MTSD students.

### Interested supporting MTEF through MTSD Payroll Deduction?

Complete & return this form to [payroll@mtwp.net](mailto:payroll@mtwp.net) to enroll or change your giving.

Name: \_\_\_\_\_ MTSD Bldg: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_
