Project Start Date
08/08/2024

Project End Date
08/08/2024

Grant Request 

Dollar amount only

Project Summary:

Please summarize your project in 2-3 sentences that MTEF can use in public communications.

Project Description:

What will you do? How will you do it?

Project Goal:

Why do you want to do this project?

Explain who will this benefit and how?

How many students will this benefit? 

Number only

Please provide a general timeline for project activities.

To your knowledge, has this project been done in MTSD or another district? If so, where, and with what success?

How does this project link to the Manheim Township School District's Comprehensive Plan?

How will it enhance the curriculum and/or school environment?

How will you communicate MTEF's support and the project's impact to student families and community members?

Project Legacy:

Is there opportunity to continue the project after the grant period?

If so, please explain.

Is this program replicable to other schools?

Please explain.

Project Effectiveness:

How will you define project success?

What are the specific measures you will use to determine project effectiveness?

Spending Plan:

Itemize your project spending plan.

Are you soliciting funding from any other sources? Please explain if the School or PTO will also provide support for this program. Also explain any individual fundraising efforts for this program/project.

Signatures

All applications must be signed off on by the following:

- Principal of the school in which the grant will take place
- Director of Technology if the application involves technology
- Plant Manager if project requires facilities changes/construction
- Director of Curriculum and Instruction
- Superintendent

This application will automatically send to the Superintendent, Director of Curriculum and Instruction, and the appropriate Principal for the selected school.

Please select any additional signers to collect comments and signatures from the appropriate parties before submitting the application to MTEF.

Who else needs to sign this Grant?

Director of Technology

Plant Manager
