**Manheim Township Educational Foundation's** third annual **Mini Golf Madness event**, to be held at Manheim Township Middle School, promises a "hole" lot of fun! In 2025, students representing nine MTHS clubs and teams themed and decorated mini-golf greens during the time-limited Creativity Challenge on Friday evening. On Saturday, **more than 400** students, parents, and community members took to the course and cast their votes for their favorite holes, earning the winning teams a donation to their school organization. Through a variety of displays and activities, attendees also experienced some of the innovative educational projects supported by MTEF grants.

*All proceeds from this event will support MTEF's work to help make the educational experience of all Manheim Township School District students exceptional through innovative learning experiences.*
